

St Gregory the Great

Parish Bereavement Team

We care for you in your bereavement. We believe that all parishioners who have lost someone close to them should have access to our bereavement team.

We are here to listen, provide care, support and friendship either through a phone call or visit.

We arrange opportunities for you to meet and pray.

We offer a confidential service; we are trained in listening, and have a commitment to and understanding of the grieving process.

We provide information and ongoing prayer support on behalf of the parish.

Please call directly to a team member on 07592 572978

Or email: stgregorysbt@gmail.com

Or you may prefer to call the parish office on 01789 292439

“It’s important to remember that there’s really no such thing as normal grieving. Each person needs his or her own way or time.”
